

Net Zero by Industry Clarity and Insight.

Ask questions, share your views and experience
or discuss Government engagement.

The recent announcements have left our members with many questions. We want to help provide you clarity and insight into these, both directly through our own engagement and through facilitating the sharing of key information between members.

Contact [Simon Harpin](#) if you have:

- **Questions** on impacts or changes from the announcements
- **Requests** for any other insight or information you would like from BEAMA.
- **Views or experiences** which you feel could help other BEAMA members achieve our common goals.
- **A Government discussion**, which has given information of interest, or which is upcoming and you believe BEAMA could add value in attending.
